If I might trouble you a little further, I would like to ask for such information as you can give me regarding the Victoria Reserves. We keep a record of all facts of interest that we can secure regarding any organization whose insignia is in our collection, thereby bringing together much valuable information, and any thing you can tell me about this will be greatly appreciated.

My dear Mr. Gelden

Kindly accept, for  
the Society, two badges  
one "The Society of the  
Round Table", with the  
dragon, descended, as you  
know, from the Round Table  
of King Arthur's time.

The other is the badge of  
the "Daughters of the  
Empire Etate". As I un-  
derstand it, the emblem  
means, The Flag is the  
National Shield. Is the

United States, the Sun  
coming out of the Mountain,  
is the Emblem of the Empire  
State, and the motto  
"In Excelsis", meaning to Excel,

The Largest, The Greatest.  
Women born in this State  
are eligible to this Society.  
Accept these badges with  
my compliments.

Dear Mrs. Campbell:-

Many thanks for the two little badges of the New York Women's League for Animals. A formal acknowledgment will be sent you in due course.

Mr. Saltus says that the entire 'Cat Brigade' and also the 'Dogs' Brigade are coming up here in a body. What will happen if the Cats and Dogs should come at the same time?

Very sincerely yours,

My dear Mr. Hoe,

Some time ago,  
Mr. Woods sent me a medal  
by request of Mr. Dalton and  
now you have been kind  
enough to forward another  
by request of Mr. Dalton.  
Thank you both very much.  
I am delighted with both  
medals! My husband has  
been seriously ill since  
November. That is my

excuse for not writing Mr  
Stoddard. Kindly thank him  
for me.

Very sincerely yours,

My dear Mr. Lee,

Thank you for your sympathy. I need it more now than ever before, this blow has crushed me. Just before Mr. Tutts died, I received two letters, one said "you have made me the happiest man in the world." The other said "have made great fine rare corns." Mr. Tutts was president of the Antislavery Bazaar Society, the first-summer and meeting, was to be held on June 28. Before

the night we had made out for the  
address, he went to work, it was  
in honor and he was greatly ex-  
cited over it. When I came I have  
seen him such come with  
candle and five weeks ago, last  
night, he had him to give up  
working it. He said, I was always  
a notion of time when something  
or the world happen. When he  
was working, he would not let,  
just took a cup of tea or glass  
of ginger ale. I know he  
must have been cleaning his  
new corn for presentation to  
the nation. He said when he  
made up the to-day's work.

It is sad to think that a fine intense  
be cast of the name of a man, who has  
suffered since a great, that wife and  
who has courted notoriety. He was to  
have been married the past week in July  
and expected to return to N. Y. in December  
for two months. I have given orders  
to have Mr. Julius' body brought back, as  
soon as it arrives. I will notify you  
about the funeral. Thanking you  
for your kind words, believe me,

Very sincerely yours,  
Wm. F. Campbell.

would like a silver member-

you know what is correct.

Dear Mrs. Campbell:-

I beg to acknowledge receipt of your note accompanied by your cheque. Thank you very much indeed.

I note what you say about the membership medal. Some of our members prefer the silver and some the bronze. The silver medal is a little more costly than the bronze, and is, of course, a little more expensive. Please let us know the way in which you desire your name engraved on the medal at the time you let us have your further instructions.

Very truly yours,

Secretary.

Dear Mr. Fox

Your letter has reached  
me. I think I like the silver  
medal better than bronze. I suppose  
that E. Campbell would be the  
correct way to have the medal  
engraved. I am enclosing my  
check for the two gold  
medals. I expect to return to  
my apartment at 40 East 54<sup>th</sup>  
street on Saturday or Monday  
and bring them.

Very sincerely yours  
Estelle E. Campbell.

one which seems to have gone astray in the mails.

My dear Mrs. Campbell:

As you undoubtedly know, our Collection of Decorations and War medals has been greatly increased in recent years and that the provisions we made for the display of them has proved wholly inadequate. I do not have to tell you to whom we are indebted for the importance of this collection.

We are now proceeding to have made a number of extra swing-cases so that we can, at least, show the Decorations and War medals to advantage. We have been sending out a circular letter, and I am enclosing a copy thinking that you will appreciate our efforts in this regard.

I trust you are keeping well and we are hoping that we may see you sometime here at the Museum.

With our best wishes to you for the Coming Year, I am

Sincerely yours,

Dear Mr Jewell

Kindly accept my cheque  
for one hundred dollars towards the  
Incham collection. I only wish I could  
keep up all of the wonderful work my  
dear Mr. Dallas was doing but I find  
it impossible. Will you ask Mr. Wood  
if I paid for a medal sent to me last  
summer. I was ill so much that I then  
forgot. If not, please send me a bill.  
Kindly note change of address. Perhaps  
some day, if my health improves, I will  
go up to see your collection but it  
will take courage to see all the

old friends . wishing you success ,

Dear Mrs. Campbell:

In view of your generous contribution toward our Indian Peace Medal Fund, you may be interested to learn that we were very successful in securing sufficient funds to enable us to purchase every one of the twenty medals which we especially desired.

Our collection of Indian Peace medals is now a truly remarkable gathering, the like of which exists nowhere else in the world. The Society is, therefore, very appreciative of your loyal and generous assistance which has contributed so largely to the fortunate result as outlined above.

Please allow me to add my own personal thanks to those of the Society, and believe me,

Yours very gratefully,

President
